To receive credit for your hours of service, you need to complete this form and have it signed by the chairman. Keep your own records of hours and turn them in for rewards as described in the membership roster and on www.californiawatercolor.org. You must use the original signed form for rewards, not a copy. If you have more hours on the form than your reward requires, the chairman will give you "change" on another service hours record at the time you redeem for reward.
