

Oakland International Airport to Pleasant Hill Station via **Bay Area Rapid Transit (BART)**  
(Pleasant Hill BART Station is your final destination)

First and foremost, please remember, if you miss one BART train there is another just a few minutes later. Don't worry!

#### BART Tickets:

- Children 4 and under ride free but everyone else must have a ticket.
- BART tickets are like debit cards with stored value.
- All BART stations have automatic ticket vending machines that accept nickels, dimes, quarters and \$1 coins, as well as \$1 \$5, \$10 and \$20 bills.
  - You can also use credit and debit cards in select machines.
- When you enter BART, insert your ticket into the fare gate and it will be returned to you.
  - Use the same ticket when you exit.
  - The correct fare will be automatically deducted and tickets with remaining value will be returned.
- If your ticket has too little value, a sign on the fare gate will read "Underpaid: Go to Addfare."
  - A nearby Addfare vending machine will tell you how much additional fare you must add to your ticket to exit the BART system.
- To find the cost of a particular BART trip, use the [BART Fare Calculator](#).

The image shows a screenshot of the BART Fare Calculator web interface. At the top, there are two radio buttons: "One-way" and "Round-trip", with "Round-trip" selected. Below this, there are two dropdown menus: "From" and "To". The "From" dropdown is set to "Oakland Int'l Airport" and the "To" dropdown is set to "Pleasant Hill/Contra Costa Centre". To the right of these dropdowns is a "Go" button. On the right side of the interface, the fare is displayed as "\$20.00 / \$7.50\*" in large, bold text. Below this, it says "Round-Trip from Oakland Int'l Airport to Pleasant Hill/Contra Costa Centre". At the bottom right, there is a note: "\*youth, senior or RTC Clipper card (restrictions apply)".
