## September Guest Demo Pablo Villicaña-Lara

With each painting I try to achieve a quality of light that you can almost feel, clarity of color, strength of composition, and sense of spirituality, sometimes through my strong connection with my culture and sometimes with my quirky sense of humor.

I received my Bachelor of Fine Arts from St. Mary's College in Moraga, California and Master of Fine Arts in Drawing from College of the Arts in Oakland, CA. After creating with oils for several years as well as ceramics, pastel and textiles, discovering the quality of light and clarity of colors that could be achieved with watercolors changed the course of my artistic career and have worked with them for the past 28 years.

I have received numerous awards, including: Best of Show for the Society of Western Artists, many first, second, third and honorable mention awards with the California Watercolor Association, included in the American Watercolor Society, Transparent Watercolor Society, Northwest Watercolor Society as well as other Societies and the International Guild of Realism.

I have been an art instructor for the past 26 years as well as guest demonstrator for various art societies and conducted several watercolor workshops.

I was raised in both Mexican and American cultures; most of my images reflect my deep respect and connection to my Mexican/ Native heritage.

# from the president California Watercolor Association

I'm always looking for inspiration, aren't you? Whether it's for a painting or what to make for dinner, I open myself up to inspiration from many sources. I hope I can inspire you to volunteer to join the CWA board, now, and for 2020!

Our association throws so many great things to us all the time. What, you ask?

We offer ten free general meetings a year, which includes an art demonstration that is open to the public. Many of the guest artists are world-renowned. At the general meeting we offer refreshments, watermedia video rental, critiques, door prizes and before the frame art displays.

Our Community Outreach department is involved in bringing watermedia to Veterans Administration centers in Oakland and Martinez on a monthly basis. They provide watermedia training to teachers. They've provided watermedia exposure to the public at large venues such as the Walt Disney Family Museum and the California Academy of Sciences in San Francisco. This is just a few of our community outreach efforts.

We provide members with juried shows to display their talents. In 2019 we have scheduled four CWA member shows, attracting artists from around the country.

We are celebrating our 50th National Exhibition. Watermedia artists from around the world enter this exhibition. It will be held at Harrington Gallery at the Firehouse Arts Center in Pleasanton, California.

We offer a beautiful newsletter filled with art information and a wonderful website where, as a member, you can connect with other members and list your website for interested folks to see.

We produce several workshops per year with internationally known artists. Many of these artists are the general meeting guest artists.

So, what positions are we looking to fill on our board? I'm so glad you asked! We are looking for: Budget Director, Co-Communications Director, and Co-Member Shows Director.

### News Flash!

Member Michelle George stepped up at the August 21, 2019, general meeting and volunteered for the Co-Program Director position. Yeah Michelle!

I invite you to not only "catch" what CWA has to offer, I would love to see you "throw" a part of yourself in to what makes CWA a great art association!

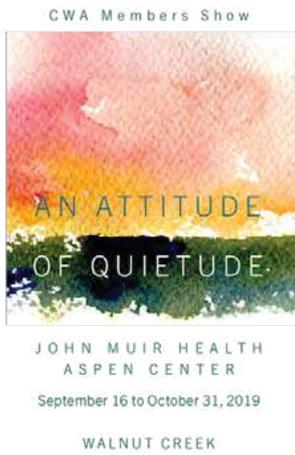

Please contact Carol Husslein for further information and to volunteer for a board position: [cahusslein@yahoo.com](mailto:cahusslein@yahoo.com).

**Please** NOTE the following sentence is being repeated as it has not been adhered to lately...

*continued on page 4*

continued from page 3

- Artists that fail to provide the accepted entry will be disqualified from entering the next two CWA Member Shows.

.....

### Entry Fees (non-refundable)

Entry fee is payable by PayPal, credit, debit, or individual account.

CWA Members: \$25 for two images, \$35 for a maximum of three images.

.....

### Accepted Entries

All accepted artists will be notified by email and results will be posted online September 7, 2019. Accepted work must match the submitted image; paintings not consistent with submitted image WILL be disqualified. The acceptance email will include all instructions for delivering the accepted painting(s) to the JMH Aspen Center in Walnut Creek. I (MF) signed a JMH Aspen Center Gallery loan agreement that is proxy for the CWA group loan agreement for this show.

**Please note;** delivery for this show is hand-carry for those close enough to the venue to do so. To clarify this, we want to open this show to our members in other states, as well as those who are located more remotely in California to where most of our Members Shows take place in the Bay Area. Think of it this way, IF you have been in a Members Show in the past several years, and hand carried your work to deliver to the show, please consider that you **are required** to do so for this show. Shipping of paintings for those in California, will be allowed for those who live south of San Jose, east of Sacramento, north of Santa Rosa and west of the Farallon Islands.

More details for shipping paintings will be in the acceptance letter. There will be a \$20 handling fee for shipped paintings.

.....

### Size Limits

Minimum image: 140 square inches, no side less than 10 inches. Maximum outside frame: 40 x 40 inches.

.....

### Framing

All paintings on paper, Yupo or Tyvek must be framed in simple, square-cornered frames ready for hanging and protected under acrylic (not glass). Frames **MUST** have a foam core backing, wire ends must be taped and should be ready to hang. No sawtooths, clamps or eye screws will be accepted. Mats (optional) must be white or off white. Colored liner mats are acceptable. Paintings on Aquabond (or other similar surfaced) cradled panels must be varnished or finished with a protective coating and may be displayed without an acrylic covering, but must still be framed in simple, square-cornered frames with wire (and D-rings) for hanging. Additional details may be included in instructions to accepted artists.

The following sentence is repeated for your *convenience* . . . Frames **MUST** have a foam core backing. It must show clearly that it is foam core when the painting is accepted at the show. IF you use the type of frame that has clasps that turn to close a hard board backer in place, the frame **must** have a brown paper dust cover glued to (over) the back of the frame. The masonite and hard board backing boards that come with many store-bought frames are not acceptable. The reason for this is that if someone buys a painting at one of our shows, we want them to get a product that will not discolor with age or affect the watercolor paper or surface.

.....

### Sales

All sales will be made through CWA. The show will include information about who to contact for those interested in purchasing a painting.

All paintings must remain for the duration of the show. JMH Aspen Center does not retain a commission on work that is sold at this gallery. They do gratefully accept a donation of \$3.00 per painting that is hung in the show. Please bring a check made out to JMH Walnut Creek Medical Center Auxiliary. These donations support development of the JMH Auxiliary initiatives at Walnut Creek Medical Center. CWA will retain a 10% commission on all work sold.

.....

### Conditions and Liabilities

No work may be withdrawn before the end of the Show. CWA and JMH Aspen Center reserve the right to photograph artwork or copy images for promotional purposes. JMH Aspen Center provides insurance for the artwork while it is in their possession. JMH Aspen Center insurance provides coverage for up to \$1500.00 per painting with a \$250.00 deductible. The submission of entries to this show shall constitute an agreement on the part of the artist to the terms and conditions as set forth in this prospectus.

## Oakland VA – Get Well Art

The Oakland VA painting project for June was one of heart-felt intention. The project was to create cards conveying wellness, healing and recovery. A member of our Oakland VA group, Walter Seabock, had suffered a life threatening motorcycle accident. Walter has been a long time member of the group. Over the years he's shared many life episodes besides being a veteran of the Vietnam war.

To begin we talked about subjects that might bring comfort and symbols of regeneration and spiritual wellness. Nancy had brought some poetry books which we shared for inspirational words. Then every one just started in...the silence of deep concentration descended upon us.

The collage below shows the results. They were delivered by hand to Walter in the hospital. Happily Walter has improved greatly. He even made a visit to the Oakland group assisted by his lovely wife Stacey. He reflected, "When I was in the siege of Khe Sanh in Vietnam, I thought I would die every day." After the accident "they said I'd stopped breathing and they'd brought me back to life. Yeh! I'm glad to be alive. It wasn't my time... I don't know what's next, maybe I'll write a book"

We were all delighted to see Walter so positive and recovering so well. The art we created for health and wellness may have helped Walter turn a corner. It surely helped us show that we cared and were sending him art from our hearts.

## Martinez VA – Creating Inspired and Varied Art

Painting by Debbi Linnekin

Painting by Ziggy

Painting by David

Painting by Harry

Painting by Wes

Painting by Jenna

We have observed that the artists at the Martinez VA are relying far less on photos for inspiration with great results.

Debbi Linnekin from About Face has been working with us and provided a still life of golden zucchinis of varying sizes and wooden drawing mannequins. It was innovative and really got our artistic juices flowing!

Ziggy created a composition based on it that showed a strong sense of design elements. He also has been experimenting with integrating his individual style of portraiture and figures into traditional landscapes.

David works just to get paint on the paper, yet has been creating abstracts with dramatic blending of color.

Harry claimed that he “didn’t paint and never has,” yet created a painting with the carefree abandon of a child using colors and brushwork that impressed us all.

Nita is new to painting with us and created a farm scene with vibrant colors. We are looking forward to her finished product.

Wes has had health issues that made it difficult for him to paint in his usual style. Interestingly, he is producing looser, more unusual interpretations of his usual subjects that are exciting and inspiring.

Jenna is prolific and focused and has begun to experiment with different brushes and salt.

We have had a “full house” the past few sessions and are enjoying the old and new faces as well as the enthusiasm for watercolor. New volunteers are always welcome!

## Plein air on the grounds at Falkirk!

<https://www.marini.com/2019/08/09/plein-air-painters-compete-in-san-rafael/>

On the Friday afternoon of the awards reception, we had a plein air paint-out event on the grounds of Falkirk that coincided with the monthly San Rafael Downtown Art-Walk. A BIG thank you goes out to Sharon Hind Smith for rallying her East Bay plein air group to come! We had fourteen people who came to paint that afternoon. We brought the paintings inside and displayed them and had a

People's Choice awards vote. Uma Kelkar won First Place. Sharon Hind Smith won Second Place. Jane Sneed won Third Place. Honorable Mention ribbons went to Jeanette Nichols and Glen Jarvis. The folks at Falkirk were 'over the moon' delighted with the plein air event and have invited us back to paint there any time! And to top it off, the local newspaper came to cover the event.

Thank you Sasha Boyko for these great photos!

This show challenges artists to shake things up a bit by Changing Perspective with their piece. Do something new; do something different.
