This is a free National Park. It might be chilly, bundle up. Bring a bag lunch. There is plenty of free parking. We will meet in the parking lot near the Fort at 10 am and spread out and paint and then meet back there again for a group “show and tell”.

Fort Point is located at the south anchorage of the Golden Gate Bridge at the end of Marine Drive on the Presidio of San Francisco.

- By car from San Francisco and points south, take Highway 101 north and exit right at the Golden Gate Bridge toll plaza before getting on bridge. Turn right at end of exit ramp and then left onto Lincoln Boulevard. Take the first left onto Long Avenue and follow onto Marine Drive and Fort Point at its end.
- By car from the north, take Highway 101 across the Golden Gate Bridge. Stay in right toll lane and exit immediately past the bridge toll plaza. Turn right at end of exit ramp and loop under toll plaza. At end of road, turn left onto Lincoln Boulevard. Take the first left onto Long Avenue and follow onto Marine Drive and Fort Point at its end.
- By public transit, San Francisco Muni 28 and PresidiGo buses stop at bridge toll plaza. Follow trail signs northeast of plaza area to Fort Point at base of bluffs.
