

Bring your painting skill to a higher level!

Learn how to paint luminous watercolors by manipulating tonal values, color and edge. In this class, Frank Eber will share advanced painting techniques to create atmosphere, balance and unity in your work. Topics will include design and composition, color and lighting, positives and negatives, simplification of shape, and atmospheric effects. The techniques you will learn in Frank's workshop transcend the watercolor medium, as they are applicable to oils, acrylics, tempera, pastels, etc.

Separate yourself from the watercolor crowd and experience for firsthand why his courses are so popular! Small class settings only. Please sign up early!

A painter's painter, Frank Eber paints in a direct, loose style influenced by the old-world masters. Typical in his art are color mixes and lighting that, it has been said, evoke nostalgia while remaining absolutely in the present. He stresses a solid foundation in the basics, "...so that our focus is on creating timeless art. An emotional link is necessary in our work, as well as the connection to the vibrancy of everything we paint."
